

ANNUAL DEUTSCHKLUB FAHRRADPICKNICK

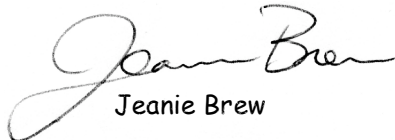

On **Saturday, June 3, 2006** I would like to accompany interested German Club students on a bike ride west along Higgins Road, across Barrington Road, and then west on the bike trail parallel to Old Shoe Factory Road to Route 59. Just half a mile south of there is the Poplar Creek Forest Preserve where we'll end up.

We will be leaving as a group **from HEHS at 9:30 a.m.** and will leave the forest preserve at about 1:30 p.m. At the picnic we will play softball and Frisbee golf. For our eating enjoyment we will grill Bratwursts, eat potato salad, chips, pickles, and drink pop and water.

Due to the nature of this outing, I would like to make sure that parents understand that this is **not intended to be a bike race** and that students need to be extra cautious. I have organized the bike picnic for over 25 years and in the past it has always been very successful thanks to the mature behavior of the students involved. I would like to see this continue.

Please sign below if you allow your son/daughter to participate.
